24 September 1981

	MEMORANDUM FOR: Deputy Chief, Benefits and Services Division	
STAT	FROM : Fitness Coordinator, Office of Personnel	
STAT	SUBJECT: Inspection of Building Exercise Room and Recommendations for Repair and Replacement of Equipment	
	On this date, at the request of Space Allocations/Office of Logistics, I accompanied him to Building to advise on exercise room improvements.	STAT STAT
	My recommendations are as follows:	
	a. The bicycle be replaced.	
	b. The treadmill be dispensed with.	
	c. The rowing machine be replaced.	
	d. A stand be built to hold barbell plates and dumbells.	
	e. Collars be purchased for the barbell (which has none at present).	
	f. An abdominal board and stand (rack) be purchased.	
	g. That three (3) pulley wheels (P-2006) and Lat Pull cable on universal gym be replaced with new plastic wheels and plastic covered cable respectively.	
	h. Two (2) mirrors be provided for burlap covered wall.	
	i. A sign be made reading "Replace Weights on Stand for Safety."
